INSTRUCTIONS FOR COMPLETING A PETITION TO EXTEND FINANCIAL AID ELIGIBILITY

The attached petition is used to determine whether your aid eligibility can be extended beyond the 135 credit limit for a 2-year program or the 68 credit limit for a 1-year certificate program. Follow the directions very carefully. Incomplete petitions “may” be tabled and will delay the process. Your actual program credit limit will be based on 150% of your program credit requirement. This petition must also be submitted if you have already received a degree or certificate, either from LBCC or any other college or university.

Step I
Do you have a certificate, Associates, BA, Masters, or Professional Degree or have credits you transferred to LBCC from another educational institution, with the intent of completing your degree at LBCC? If so, please submit “official” transcripts to the LBCC First Stop Center. Once the transcripts have arrived, you will receive an e-mail from the transcript office asking if you would like the transcript(s) received reviewed. Please respond to this e-mail promptly. This process can take 4-6 weeks.

Step II
Complete the Petition to Extend form (provide an explanation of why you require additional credits to complete your degree at LBCC).

Step III
Complete your Degree Evaluation in the DegreeRunner at www.webrunner.linnbenton.edu. Log into your Webrunner account, go to Student then Academic Records. (You may only complete one major while on financial aid).

Step IV
Review the school catalog to see which terms your classes are offered and plan your schedule for all remaining terms. (refer to your Degree Evaluation for required classes. Remember, only required classes for graduation and /or developmental classes can be included for extension purposes.

Step V
Make an appointment to meet with your Academic Advisor to review your Degree Evaluation, and Education Plan. If you are in an “undecided” major, check with a Counselor in the Career Center.

Indicate which terms you plan to attend and your anticipated courses on the attached Education Plan form. (Plan must be completed by and approved by Academic Advisor).

Step VI
Submit all completed materials to the Financial Aid Office. Keep a photocopy of your completed forms (petition, Education plan, and Degree Evaluation).

Reasons for approval:

Generally, acceptable reasons for granting an extension may include but are not limited to the following:

- substantial developmental classes
- change in major (usually limited to one change)
- change in program requirements
- gap in attendance of two or more years
- documented learning disability
- extended illness, injury and disability (may require documentation from your healthcare provider)
- change in degree program necessitated by physical, mental and/or emotional disability
- pursuit of degree majors that typically require more time and credit hours e.g. Nursing, Engineering and Graphic Arts

Transfer Credits:
Only transfer credit hours from official transcripts submitted to the Registrar’s Office that satisfy degree/certificate requirements for your current degree objective will be counted.
