

WHEN THE EVACUATION ALARM SOUNDS:

- Go to the nearest safe exit and assemble outside at the evacuation assembly point. Avoid traffic lanes that may be used by emergency vehicles.
- DO NOT re-enter buildings until the All Clear Signal is given or told to do so by an emergency responder, Building Emergency Coordinator (BEC), Bryan Schiedler, Matt Dubanoski, Nick Garber or an LBCC Public Safety Officer.
- Report any trapped persons to the BEC, Campus Public Safety Officer or an emergency responder.
- If it is safe to do so, turn off computers, coffee pots, and gas shut-offs.
- Assist those who need help evacuating.
- Take your purse/wallet and keys with you.

WHEN THE SHELTER IN PLACE ALARM SOUNDS:

- Go to the designated Shelter In Place location for your building and floor
- Lock and seal the room
- Remain in place until the all clear is announced
- Evacuate the building when "All Clear"
- For details about Shelter In Place refer to <http://www.linnbenton.edu/go/emergency>

DRILLS:

Instructions will be given before each drill. **TREAT EVERY ALARM AS A REAL EMERGENCY.**

LBCC EMERGENCY PROCEDURES

IMPORTANT! BEFORE AN EMERGENCY:

- Learn and know all evacuation routes from the building. Choose an evacuation route that is free of smoke and fire.
- Carry your house and car keys on your person at all times in case you are not allowed back in your building.
- Learn where first aid kits, AED units, emergency eyewashes, showers and evacutrac devices are located.
- Learn where the administrative office are located.
- Learn where the nearest Shelter-In-Place location is.

IN CASE OF:

✓ **BODILY FLUID SPILL**
Every caution should be taken to minimize the chance and effects of exposure.

IMMEDIATELY contact Campus

Public Safety Officer 541-936-0631 for assistance and to report the incident. Remove or restrict people from the area. Avoid getting bodily fluids in your eyes, mouth, open sores, or wounds. **If exposed, rinse affected area immediately, and wash with soap and water. Report any exposure to Human Resources immediately.**

✓ **EARTHQUAKE**

If inside a building, remain where you are. Duck, cover, and hold under desks or tables until the shaking stops, then evacuate the building. If outdoors, move away from buildings, power lines, and trees. **DO NOT re-enter the building.** Expect aftershocks.

✓ **FIRE**

Pull fire alarm. **Evacuate the building immediately.** Close doors and turn off the lights if it is safe to do so. Call 911 from another location. Then call Campus Public Safety. **DO NOT re-enter the building until the All Clear signal is given.**

Emergency Responder - Any outside public agency that responds to our 911 call - fire department, police, etc. Emergency numbers are posted on phones and bulletin boards throughout campus.

✓ **NATURAL GAS LEAK**

Notify the Building Emergency Coordinator or Administrative Office. If odor is heavy, have personnel evacuate the immediate area. **DO NOT pull fire alarm, do not turn lights/electrical equipment on or off or use a phone in the area.** If unable to contact the BEC, go to another location and call the Northwest Natural emergency number 1-800-882-3377 and then call Campus Public Safety at 541-936-0631 or 541-926-6855.

✓ **POWER FAILURE**

If the power fails, emergency lights will activate within minutes. Get a flashlight. Turn off electrical equipment and carefully move to a lighted area.

✓ **THEFT**

Office keys and personal valuables should be kept with the owner or locked in a drawer. Keep valuables out of sight in your car and **don't move them from inside your car to your trunk upon arriving at ATTC.** Report all incidents immediately to Campus Public Safety at 541-936-0631.

✓ **TOXIC CHEMICAL RELEASE or SPILL**

If there is imminent danger, pull the alarm first, then evacuate the building and call 911, then communicate with the Building Emergency Coordinator and Campus Public Safety at 541-936-0631.

✓ **VIOLENT ACTS**

If physical confrontation or weapons are displayed, call 911 immediately, then call Campus Public Safety. If an argument is in progress, call Campus Public Safety at 541-936-0631. Try to clear the area of bystanders if it is possible and safe to do so.

✓ **WATER**

For spills, leaks, etc. contact the Administrative Office. If after hours, call Campus Public Safety at 541-936-0631.

Building Emergency Coordinator (BEC)

Assists with building evacuation and alerts emergency responders to persons trapped in the building. Communicates with the Campus Public Safety and Emergency Responders during an emergency.

INSTRUCTIONAL STAFF

IN CASE OF AN EMERGENCYEVACUATION:

- Give clear directions to students and assist any disabled persons in the evacuation, **ask for helpers if needed.**
- Keep your class together and assist them in going directly to the evacuation assembly site.
- Reassemble them at the evacuation site.
- Once your class is evacuated, take roll and account for every person. *Report any missing students or staff to the emergency responder or Building Emergency Coordinator.*
- **Stay with your group and do not re-enter the building until the All Clear Signal is given.**

CALLING 911 / FIRST AID:

If the situation is life threatening or a serious crime is in progress, **CALL 911 FIRST**, then contact Public Safety Officer at 541-936-0631.

Examples of life threatening situations include, but are not limited to, chest pain, numbness in limbs, unconsciousness, severe or excessive bleeding, or the display of weapons. If unsure, consider the situation life threatening. Always call Public Safety Officer at 541-936-0631 so he/she can meet the ambulance or police and direct them to the site.
