

Dear Parents in the Parenting Education Classes:

Linn-Benton Community College requires an accident insurance policy for the children in our Preschool Cooperatives each year. It covers the child while she/he is participating in or is attending any regularly scheduled supervised activity of the class.

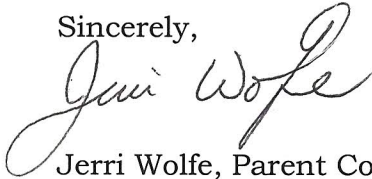

Our policy is with the Hartford Insurance Company. The cost is \$4.50 and the policy is effective from September through June.

Parents are solely responsible for the \$100 out-of-pocket deductible at the time of medical service.

\$5,000	Accidental death
\$10,000	Accidental dismemberment
\$25,000	Accidental medical insurance
\$1,000	Accidental dental

Please attach check payable to LBCC in the amount of \$4.50 and return to the instructor at your preschool.

Sincerely,

Jerri Wolfe, Parent Cooperative Preschool Program Coordinator
Family Resource and Education Center
