

The logo consists of the letters 'L' and 'B' in a bold, white, sans-serif font, positioned on a yellow rectangular background that is tilted slightly to the right. The background of the entire page is a blue-tinted photograph of four people walking away from the camera on a paved path. From left to right: a young woman with blonde hair wearing a black backpack and jeans; a man with a beard and glasses wearing a blue drawstring bag and a dark t-shirt; a young woman with her hair in a bun wearing a white backpack and a light-colored top; and a young man wearing a grey backpack and light-colored shorts, with his arm around the woman next to him. The scene is outdoors with trees and a building in the background.

LB

FALL 2021

EDUCATIONAL PLAN

With the approach of fall term 2021, LBCC is committed to continuing actions which keep our students and community safe while delivering high-quality education. Using this focus, our approach to the 2021-22 academic year is to provide options for students wherever possible. LBCC will keep many remote/online learning opportunities and student support services while also bringing back more face-to-face classes and support services.

ACADEMIC PROGRAM DETAILS

Advanced Manufacturing and Transportation Technology Division

  **Apprenticeship, Automotive, Culinary Arts, Heavy Equipment / Diesel, Machine Tool, Mechatronics, Nondestructive Testing, and Welding:**

Most lectures will continue to be held remotely, and all labs will be held face-to-face. Any lectures that need to, and can be done safely face-to-face, will be strictly held to following physical distancing and face-covering guidelines. This option will be determined by enrollment and subsequent adequate spacing to ensure safe distancing can be facilitated.

Arts, Social Sciences and Humanities Division

-  **Accounting:** All classes will be offered remotely.
-  **Anthropology:** All classes will be offered remotely.
-   **Art and Visual Communication:** A limited number of Art classes will be offered on campus with more choices offered remotely. Classes that utilize Adobe and the design lab will be offered in a hybrid format to enable

students to use the lab once per week. Ceramics classes will be offered at the Benton Center campus.

-   **Business Administration and Economics:** Classes will primarily be offered remotely with select on-campus classes. BA 275 will be offered in a flex format.
-   **Communication:** Classes will be offered on campus and remotely.
-   **Criminal Justice:** Classes will be offered primarily remotely with a few introductory courses held on campus.
-   **Child and Family Studies:** Classes will be offered remotely with the exception of observation and practicums.
-   **Education:** Classes will be offered on campus and remotely.
-   **English:** Classes will be offered on campus and remotely.
-   **History:** Classes will be offered on campus and remotely.
-   **Human Development and Family Sciences (HDFS):** Select classes will be offered on campus, including practicum. The majority of classes will be offered remotely.

 **REMOTE** 100% online, either Virtual (synchronous) or Online (asynchronous).

 **IN-PERSON** Face-to-face at a specified location within certain hours.

 **TBD** To be determined

ACADEMIC PROGRAM DETAILS

Arts, Social Sciences and Humanities Division - cont.

-  **Journalism:** Classes will primarily be offered on campus with one remote class.
-  **Music:** Classes will be offered on campus and remotely, including individual lessons. Concert Choir, Chamber Choir, Small Ensembles, Literature and Materials of Music, some lessons, and Group Piano will be on campus. The Music Department will ensure physical distancing with special masks designed for concert singing for the choirs. Rehearsal will be indoors and outdoors as weather permits.
-  **Practical Business Management:** Classes will be offered remotely with the exception of PBM 101A, Entrepreneurship Lab.
-  **Psychology:** Classes will be offered on campus and remotely.
-  **Social Science (including Sociology, Religion, Philosophy and Political Science):** Classes will be offered on campus and remotely.
-  **World Languages:** Some sections of first year Spanish will be offered on campus. All other classes will be offered remotely.
-  **Writing:** Classes will be offered on campus and remotely.

Healthcare Occupations Division

-  **Coding and Reimbursement Specialist:** All classes will be taught face-to-face with a synchronous Zoom option available.

-  **Dental Assistant:** All lecture classes will be taught either face-to-face or virtually with Zoom. Lab classes will be face-to-face. Dental Link will be running on various Fridays.
-  **Diagnostic Imaging/Computed Tomography (DI):** All lecture classes will be taught either virtually with Zoom or online. Lab classes will be face-to-face. Practicums will be in-person at clinical sites.
-  **Medical Assisting:** All lecture classes will be taught either virtually with Zoom or online. Lab classes will be face-to-face.
-  **Nursing:** Most lectures will be face-to-face with some classes virtual with Zoom. SIM and Skills labs will be face-to-face. Clinicals will be in person at clinical sites.
-  **Nursing Assistant:** All lectures will be online with lab classes face-to-face and clinicals will be in person at clinical sites following their established protocols.
-  **Occupational Therapy Assistant:** Lectures will be mostly face-to-face with some virtual with Zoom. Fieldwork will be in-person on site. Lab classes will be face-to-face.
-  **Phlebotomy:** Will not be running fall term.
-  **Sleep Technology:** All lecture classes will be taught online. Lab classes will be face-to-face.
-  **Surgical Technologist:** Lecture class will be online with lab classes face-to-face.

 **REMOTE** 100% online, either Virtual (synchronous) or Online (asynchronous).

 **IN-PERSON** Face-to-face at a specified location within certain hours.

 **TBD** To be determined

ACADEMIC PROGRAM DETAILS

Science, Engineering and Math Division

-   **Agriculture:** The majority of classes will be taught face-to-face. A few online options will be available.
-   **Biology:** 100-level classes will provide two choices for students: some sections will have remote lectures and face-to-face labs, while other sections will have both lectures and labs taught remotely. For 200-level classes, most lectures will be taught remotely with face-to-face weekly labs.
-   **Chemistry:** All labs will be in-person (except CH 112 which will be remote) and all lectures will be online and/or virtual (except for CH 241 which will be in-person).
-   **Computer Systems:** All classes will be taught remotely with the exception of one CTE course lab in Network Sys Admin which will meet the last 2-3 weeks of the term for hands-on learning/training.
-   **Engineering:** All courses will be taught as hybrids with a mixture of online lectures and face-to-face labs. Additionally, each class will have an in-person class meeting once weekly which will be used for quizzes and exams. We will work to accommodate students who cannot attend or do not feel comfortable attending classes in person.

-   **Exercise and Sport Science (Phys Ed/PE):** Activity-based classes will be offered online, face-to-face, or hybrid. PE231 classes will have a few sections offered as hybrid, and the rest offered online.

-   **Geoscience/General Science-** All classes will have remote lectures. Some labs will be remote while others will be face-to-face.

-   **Health:** Some classes will be taught remotely and some will return to face-to-face instruction.

-   **Mathematics:** There will be face-to-face, virtual, and online options for courses. For some classes with very few sections, there may be only one format available.

-   **Physics:** All lecture classes will be taught remotely. All labs will be taught face-to-face.

Academic Foundations Division

-   **Adult Basic Skills:** All ABE, GED, and ELA classes will be remote and in-person. All student support will be virtual, available Monday through Friday from 10:00 a.m. until 7:00 p.m.

 **REMOTE** 100% online, either Virtual (synchronous) or Online (asynchronous).

 **IN-PERSON** Face-to-face at a specified location within certain hours.

 **TBD** To be determined

EXTENDED LEARNING DETAILS

The majority of classes, workshops, and training will be remote, with select in-person classes. Open virtually 8:00 a.m. to 5:00 p.m. Please direct questions to 541-917-4840.

 **Community Education:** Remote classes via Zoom, Google Meets, YouTube, and Facebook, including classes in Arts, Fitness (also in-person), Foods, History, Language, Garden, and Health and Wellness.

 **Driver Education:** Remote classes via Google Meets and Google Classroom and some in-person classes. Please direct questions to Melissa Richey at richey@linnbenton.edu.

 **Professional Development:** Two remote Leadership Academies, AIM (Accountability, Integrity, Management) and five Critical Skills for Supervisors via Zoom. Please direct questions to Terri Houde at houdet@linnbenton.edu.

 **Small Business Development Center:** Remote workshops and classes, including Going into Business, Foundations of Business, Small Business Management 1 and 2, Quickbooks, and Real Estate. Free remote advising is also available. Please direct questions to Anne Greene at green@linnbenton.edu.

SERVICES TO STUDENTS

 Fall hours for in-person and virtual openings will be announced in June.

FAMILY RESOURCE AND EDUCATION CENTER DETAILS

Early Learning Hub: Please direct questions to Kristi Collins at collink@linnbenton.edu.

 **Family Connections:** Classes will be offered via Zoom and GoToMeeting. For information about classes or how to open a child care business contact Family Connections by email at connect@linnbenton.edu.

 **Parenting Education:** Fall term programming will include a mix of in-person and remote classes and workshops including parent/caregiver and child classes: Live and Learn with your Baby, Wobbler, Toddler, Two Year Old and Preschooler, Creative Development, Discovery Lab, and Cultivating Kindness & Parenting series, Incredible Years, Nurturing Parenting Program for Adolescents and Make Parenting a Pleasure. Classes are available in English and Spanish. Parent-child in-person classes will follow Oregon Early Learning Division Healthy and Safety guidelines. Please email questions to connect@linnbenton.edu or call 541-917-4899.

Pollywog- For personalized resources visit pollywogfamily.org, call 541-917-4884, or contact LeAnne Trask at traskl@linnbenton.edu.

BENTON CENTER, LEBANON CENTER, AND SWEET HOME CENTER

 Fall hours for in-person and virtual openings will be announced in June.

 **REMOTE** 100% online, either Virtual (synchronous) or Online (asynchronous).

 **IN-PERSON** Face-to-face at a specified location within certain hours.

 **TBD** To be determined
