

Faculty Professional Development: Post-Activity Summary

This summary of your funded activity will help the Committee assess the various ways in which our faculty use the information and skills gained through professional development. The Office of Staff and Organizational Development also uses this information to develop activities for others on campus. The information stays within the Committee and the Development Office.

Please summarize the outcome of your funded activity, by completing both sides and returning this form **W D S**.

Name: _____ Department: _____ Extension: _____

Date: _____

Name of Activity: _____

1. What did you learn?

2. What initial plans do you have for applying what you learned?

3. With whom will you share this information?

4. Who else on campus would benefit from this information/activity?

5. If there was a presenter you think would be especially good to bring to campus for a workshop or presentation, please put contact information below.

Name _____ Title _____

Institution: _____ Phone: _____

Email: _____

Note: If the activity was disappointing and not worthwhile, please indicate so and why.
