

65+ Tuition Waiver

PLEASE READ CAREFULLY AND FILL OUT THIS FORM COMPLETELY

Linn-Benton Community College students aged 65 and older are eligible for a tuition waiver in our transfer credit classes under the following conditions:

- Course is for credit, level 100 or higher. The waiver does not apply to career technical (CTE) courses. The waiver may not be used for tuition or fees associated with any noncredit courses.
- Student is aged 65 or older as of the date of registration.
- The student is registered or on a waitlist for the course **no earlier than the last day to register in-person prior to the start of the term.** Students may not have been on a waitlist or have registered and subsequently dropped the course prior to this day. **Any registration activity prior to this day will void the waiver for the class.** This applies by course, and not by CRN. *(Students are expected to follow all registration procedures for adding the class if they are on a waitlist at the time they register for the class. All courses will be graded as an audit with an AU grade.)*
- The student must meet pre-requisite and placement test requirements for the desired course. Placement test fees are the responsibility of the student and must be completed prior to registration for courses requiring placement testing.
- The student must complete this form and present it in person, with photo identification that includes the individual's date of birth, by the end of the first week for full term classes, and by the add deadline for less than full term classes. **These waiver forms will not be accepted after the add deadline.**
- Students who do not submit this form for the waiver, are denied the waiver, or miss the waiver deadline are responsible for full payment of all tuition and fees.
