Private Education Loan Certification at Linn-Benton Community College

Linn-Benton Community College will offer private loans for high costs programs and **accelerated programs only***. Currently, our standard Cost of Attendance (COA) allows students to receive their maximum federal direct loans.

This change in processing was implemented by the financial aid office at Linn-Benton Community College (LBCC) as part of our default management plan. As a community college, it is our responsibility to ensure that students are not over borrowing for their education. As we strive to maintain an environment of learning, we are compelled to utilize debt management tools to ensure that students will be able to repay their loans upon completion of their degrees at LBCC.

LBCC's high cost and accelerated programs are:

- Automotive Technology
- Dental Assistant
- Diagnostic Imaging
- Heavy Equipment/Diesel Technology
- Machine Tool Technology
- Mechatronics
- Non-Destructive Testing and Evaluation
- Nursing
- Occupational Therapy Assistant
- Phlebotomy
- Sleep Technology
- Surgical Technician
- Welding

If you are **admitted** to one of the accelerated or high cost programs listed, and are interested in pursuing a private loan, complete the Private Education Loan Applicant Self-Certification Form. Upon completion of this form, the financial aid office will return it to you so that you may provide the cost of attendance to your Private Education Lender of your choice.

Estimated financial assistance is all federal, state, institutional (school), private, and other sources of assistance used in determining eligibility for most Title IV student financial aid, including amounts of financial assistance used to replace the expected family contribution. The student's estimated financial assistance is determined by the school and may be obtained from the school's financial aid office.

A **lender** is a private education lender as defined in Section 140 of the Truth in Lending Act and any other person engaged in the business of securing, making, or extending private education loans on behalf of the lender.

A **period of enrollment** is the academic year, academic term (such as semester, trimester, or quarter), or the number of weeks of instructional time for which the applicant is requesting the loan.

A **private education loan** is a loan provided by a private education lender that is not a Title IV loan and that is issued expressly for postsecondary education expenses, regardless of whether the loan is provided through the school that the student attends or directly to the borrower from the private education lender. A private education loan does not include (1) An extension of credit under an open-end consumer credit plan, a reverse mortgage transaction, a residential mortgage transaction, or any other loan that is secured by real property or a dwelling; or (2) An extension of credit in which the school is the lender if the term of the extension of credit is 90 days or less or an interest rate will not be applied to the credit balance and the term of the extension of credit is one year or less, even if the credit is payable in more than four installments.

Title IV student financial aid includes the Federal Pell Grant Program, the Federal Supplemental Educational Opportunity Grant (FSEOG) Program, the Federal Work-Study (FWS) Program, the William D. Ford Federal Direct Loan (Direct Loan) Program, the Federal Perkins Loan Program, and the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program.
